Honoring the Heartbeat of the Home

"A mother is she who can take the place of all others, but whose place no one else can take." — Cardinal Mermillod

Mother's Day is a heartfelt occasion that honours the boundless love, strength, and sacrifices of mothers everywhere. At British Olivia School, we celebrated this special day on 12th May, 2025 through a series of imaginative and meaningful student-led activities. It was a day brimming with gratitude, creativity, and affection.

🎨 Creative Expressions by Every Grade

📎 Grades 1 & 2 – "Super Mom" Badges

Our youngest learners created colourful badges using fluorescent pastel sheets, double tape, and a big dose of love. These little tokens, proudly labelled "Super Mom" and "Best Mum Ever," reflected the purest expressions of admiration and joy.

💌 Grades 3 & 4 – Handmade Cards Full of Emotion

Children in Grades 3 and 4 poured their hearts into handmade cards, adorned with glitter, stickers and sweet notes. Each card became a miniature masterpiece, proving that a few words when written with love, can mean the world.

💐 Grades 5 & 6 – Origami Flowers in Handcrafted Pots

With careful folding and colouring, our Grades 5 and 6 students crafted delicate origami flowers nestled in self-decorated pots. This hands-on activity allowed them to combine art with appreciation in a thoughtful and creative gesture.

🖼️ Grades 7 & 8 – Eco-friendly Photo Frames

Using cardboard, newspapers, and colourful poster paints, our creative minds in Grades 7 and 8 built charming photo frames. These eco-friendly keepsakes were symbolic frames for the priceless bond between mother and child.

💄 Grades 9 & 10 – Make-up Kits with a Twist

Our artistic teens designed custom make-up kits from small boxes and decorative elements. These imaginative gifts celebrated the grace and elegance of mothers — our very first style icon.

♻️ Grades 11 & 12 – “Best Out of Waste” Challenge

Senior students took part in a Best Out of Waste Challenge, creating meaningful items from discarded materials like plastic bottles, newspapers and cardboard. Their work spoke volumes about environmental awareness and thoughtful creativity.

❤️ A Day of Gratitude and Joy

The school echoed with laughter, vibrant colours, and the heartwarming energy of young minds expressing their love. Teachers facilitated the activities with care and enthusiasm, ensuring every child felt proud and supported.

✨ A Timeless Message

As Rudyard Kipling beautifully said:
“God could not be everywhere, and therefore he made mothers.”
Through every drawing, craft, and note, our students reminded us that love — when expressed sincerely — needs no grand gestures.

Dancing from the Heart

Mother’s Day at BOSS was marked by an emotional and touching performance by our young students. As a heartfelt song played, the children danced with grace and sincerity, expressing deep love and gratitude for their mothers through every step.
The performance moved many in the audience to tears, capturing the essence of a mother’s unconditional love. It was a beautiful reminder that sometimes, the most powerful messages are delivered not through words, but through the language of the heart.

Voices of Love

Mother’s Day at BOSS became a heartfelt celebration as our young boys took the stage with an emotional performance. The highlight was a touching song, sung soulfully by the students themselves.

Their voices echoed love and gratitude which expressed the silent emotions children often feel for their mothers. It was a beautiful, tear-evoking moment that reminded everyone of the irreplaceable role a mother plays in shaping our lives.

🙏 Thank You for Your Support

We extend our sincere thanks to all parents for your continuous encouragement and trust. Your support made this day truly unforgettable for our students and their beloved mothers.

Warm regards,
